

Weston Village Primary School

Year 6 Swimming Competency

All our Year 5 children access swimming lessons as part of our PE curriculum. They complete a series of 10 lessons at Alsager Leisure Centre, where, through professional tuition, they learn to swim competently. This competency equates to the ability to swim confidently and proficiently over 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

If children are not competent by the end of the series of lessons, they access a further series of 10 lessons in Year 6.

Year 6 2021-22:

Number of children in total – 34

Number who can swim 25 metres – 32 (94%)

Number who can use a range of strokes – 32 (94%)

Number who can perform safe self-rescue – 32 (94%)

Number achieving all 3 competencies – 32 (94%)
